VISITATION GUIDELINES

.....

Respect the Art

Look, don't touch. Even clean hands can damage artworks.

Keep a safe distance. Avoid leaning on walls, pedestals, or display cases.

Respect the Space

Use indoor voices. Conversations are encouraged, but please be mindful of your volume.

Backpacks and food/drink stay outside.

Respect Each Other

Share the view. Be aware of others who want to see the same artwork.

No photography allowed as the Crisp is a RED phone zone.

Engage with the Art

Look closely and take your time. Notice details, colors, textures, and emotions.

Ask questions. About the artist, the medium, or the ideas behind the work.

Connect. Think about how the art relates to your own experiences, studies, or world events.

Enjoy your visit!
